R A I D E R

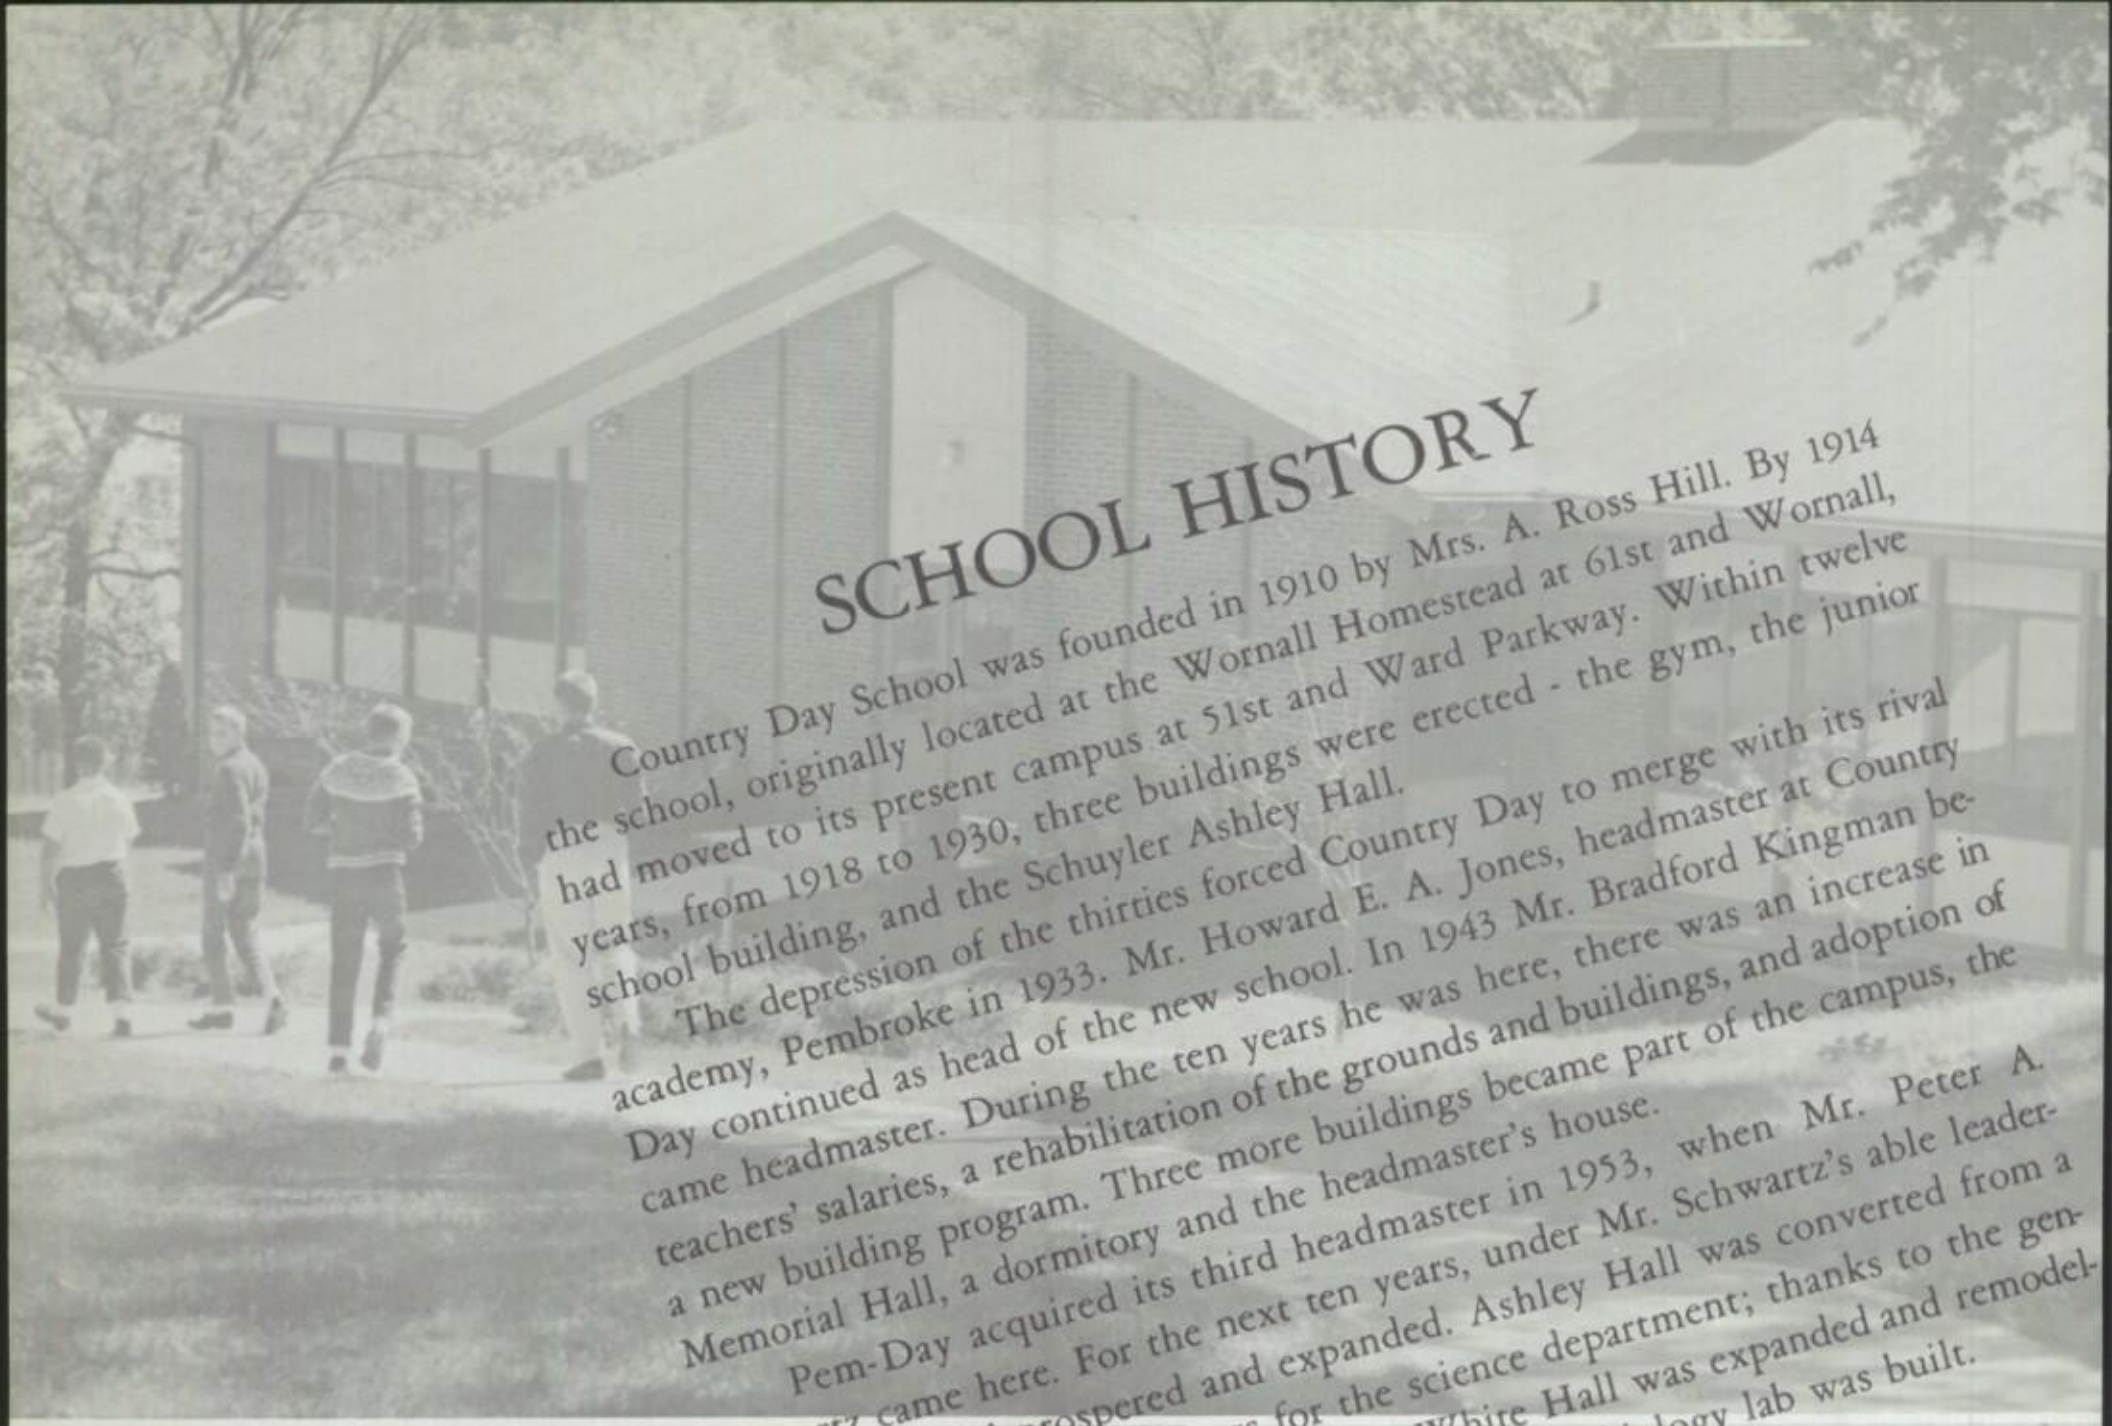
Graduate of Pembroke-Country Day and its business manager, Hal Jones is one of its most devoted partisans. Whether he is coaching its "B" team in basketball or cheering its varsity, whether he is checking the condition of the baseball field or applauding an operetta, Hal is always eagerly, warmly, wholeheartedly for Pem-Day.

He is involved in all that is part of the many-faceted life of this school. He is here so early in the morning that few know when he really does arrive; he is here so late in the afternoon that few know when he actually leaves; he is here again if there is a school event in the evening.

Some men work in a place, and some work for a firm. Hal, however, works in and with and for and of Pembroke-Country Day School. He is unique in the history of a school to which many also have warmly and eagerly served. It is with admiration, appreciation, and genuine affection that we dedicate this Raider to Harold R. Jones.

The Ubiquitous Mr. Jones



SCHOOL HISTORY

Country Day School was founded in 1910 by Mrs. A. Ross Hill. By 1914 the school, originally located at the Wornall Homestead at 61st and Wornall, had moved to its present campus at 51st and Ward Parkway. Within twelve years, from 1918 to 1930, three buildings were erected - the gym, the junior school building, and the Schuyler Ashley Hall.

The depression of the thirties forced Country Day to merge with its rival academy, Pembroke in 1933. Mr. Howard E. A. Jones, headmaster at Country Day continued as head of the new school. In 1943 Mr. Bradford Kingman became headmaster. During the ten years he was here, there was an increase in teachers' salaries, a rehabilitation of the grounds and buildings, and adoption of a new building program. Three more buildings became part of the campus, the Memorial Hall, a dormitory and the headmaster's house.

Pem-Day acquired its third headmaster in 1953, when Mr. Peter A. Schwartz came here. For the next ten years, under Mr. Schwartz's able leadership, the school prospered and expanded. Ashley Hall was converted from a dormitory to the headquarters for the science department; thanks to the generous gift of Mr. Raymond B. White, White Hall was expanded and remodeled. Parking facilities too were improved and the biology lab was built.

In 1960, as part of the celebration of the school's 50th anniversary celebration, the First Century Fund was established under the leadership of Mr. Frederick Barnes and Mr. John Kroh. It raised $850,000. With these funds the dining room was expanded, the kitchen modernized, the junior school built, and improvements in the bleachers, lights, and fences. Three more tennis courts were built.

The latest additions to the school are the John T. Pierson Sports building and the Hockaday Senior Room. The Pierson Building was built through the $210,000 gift of the Pierson family and is used for all intramural athletics.

In 1963, Mr. Schwartz left Pem-Day for a position in Ft. Worth, Texas. He was succeeded by Mr. Calvin W. Atwood, formerly of Robert's Academy in Istanbul, Turkey. Under Mr. Atwood's dynamic direction, a new Middle School building has been proposed and the conversion of the first floor of Ashley Hall to a new library. Mr. Atwood has done much to instill a new spirit not only in the students but in everyone connected with the school.

Standing Left to Right: Mr. Hal Jones, Mr. Hoyt Thompson, Mr. George Dillon, Dr. Raymond Stockton. *Seated:* Mr. Bert Wolferman, Mr. Herman Sutherland, Mrs. Desmond Curran (E.O.), Mr. Robert Wagstaff, Mr. Calvin Atwood, Mr. George Powell, Mr. Crosby Kemper, Mr. William Grant. *Not pictured:* Mr. Hugh Uhlmann, Mr. Edward Douthat, Jr., Mr. Herbert Sloan, Mr. Steve Harris, Mr. David Newcomer, III, Mr. Willis Theis.

BOARD OF DIRECTORS

Mr. Calvin W. Atwood

HEADMASTER

The year 1963-64 will certainly go down in the history of Pem-Day as one of great change and development. Foremost was the change in headmaster. Pem-Day was very fortunate to have Mr. Calvin Atwood, his wife and three sons come here.

Mr. Atwood was born in Rutland, Vermont and was president of the student body at his high school. He served with distinction in the Pacific with the Marines. His college life took place at two schools - Lawrence College in Appleton, Wisconsin, and Columbia University. At the former he was president of the student council and was named the outstanding student. Columbia honored him with the Baker citation for outstanding academic achievement.

Mr. Atwood has taught at Northville High School, Sidwell Friends, and Robert Academy in Istanbul, Turkey, where he became the dean of students.

The headmaster set a fine goal when he expressed a desire to see "the establishment of a creative learning environment evolved by the finest faculty and by spirited and intellectually curious students." With his help and that of the faculty, this is being achieved.

Some of the major changes occurring under Mr. Atwood's administration include the ruling passed by the Board of Trustees that any qualified boy would be admitted regardless of race, creed, or color; the wearing of ties by the upper school boys, the establishment of a creative writing course, a literary magazine, a photography club and dark room, and an applied art course. It certainly was a productive year!

Business Manager

BUSINESS STAFF

Despite the great changeover in the Business Staff this year (five of the eight members are new to Pem-Day), everything ran smoothly and efficiently. For his fifteenth year, Mr. Harold Jones, graduate of Pem-Day and Harvard, has ably led the staff. He was aided by Mr. C.B. Lueck, assistant business manager. Mrs. Virginia Barnes continued in her position as secretary and technical advisor to the HILLTOP. Taking over as registrar was Mrs. Virginia Helmstetter.

The Headmaster's secretary is Miss Elsie Williams, formerly of the Barstow School. Attendance records and assignments were handled by the receptionist, Mrs. William Richardson.

The library this year was in the capable hands of Miss Eleanor Little. Mr. Edward Steffen was once again the fine head of buildings and maintenance.

GRIDDERS COMPILE 8-1-1 RECORD

It will be a long time before the memories of this year's football team fade away. The Red Raiders compiled an 8-1-1 season—the best in 23 years. Those who saw them will never foreget the hard charges of the defensive unit, the line smashes of All-Prep Conference Back John Mackey, the water-bug-like dashes of Bob Fleming, the rifle passes of John Culbertson, Bob "Showboat" Sawyer's ability to "do anything" on the field, Doug Newcomer's reverse pass, the Curran-Wagstaff "Siamese block," the bone-crushing traps of Dave Gibson and John Park, the fine blocking and receiving of ends Welsh, Allen, Tinklepaugh, and Douthat, the leadership of captains Stockton, Fleming and Curran, and the excellent coaching by Pat White and Leon Flappan.

1963 was the first time in school history that Pem-Day beat both St. Louis schools. Alongside this accomplishment is the second place finish in the new Prep Conference. The 1963 team put Pem-Day back in the ranks as a football power.

P.C.D. 7—Lillis 7 The opening contest of the season against Lillis was fought on Friday night, September 13. The Raiders, led by the defense, took an early lead with a 7 point freeze. But the Irish fought back late in the third quarter to tie the score at 7-7, as it stayed the rest of the games.

P.C.D. 25—Hogan 0 Pem-Day gained its first victory of the season in this match. Although outsized considerably, the Raiders showed tremendous "elan." Defensive back Bob Sawyer added excitement with a 75 yard punt return.

Fleming on the move.

Holla receives words of wisdom.

P.C.D. 43—Missouri Military Academy 0 The "Runnin' Reds" scored three times in the first half to take a 21-0 lead in their highest-scoring game of the year. The third quarter opened with John Mackey's 38 yard burst off tackle for another touchdown. After two more third quarter scores, the regulars were replaced by the substitutes, who held M.M.A. scoreless in the fourth quarter.

P.C.D. 19—Codasco 13 The Raiders went to St. Louis with thoughts of revenge and victory—only one Raider team had beaten Codasco in 20 years of rivalry. Now there are two. The scoring was opened by John Culbertson on a 5 yard plunge. With the score evened at 13-13 in the fourth quarter, a 23 yard scoring pass from Doug Newcomer to Dave Tinklepaugh became the winning play. The tough defensive unit kept the Rams out of Pem-Day territory for the rest of the quarter.

P.C.D. 14—St. Joseph of Shawnee 20 The Raiders' hopes for a conference title and their first undefeated season since 1940 slipped away at the hands of the St. Joe Blue Streaks.

The Raiders entered the second half with the score 7-7 thanks to a 75 yard punt return by Doug Newcomer. Then Harry Welsh returned the second half kickoff for 85 yards and a touchdown. Terry Curran's PAT brought the Raiders to 14-7, the score throughout the third quarter. The fired-up Blue Streaks then came back hard and scored two quick TD's. The Raiders, 6 points behind, mustered two drives only to see two touchdowns called back. At the final whistle the Raiders were on the short end of a 20-14 score.

P.C.D. 20—John Burroughs 13. After the setback of the previous week, the Raiders rebounded to make school history by defeating the second of the cross-state rivals, John Burroughs. It was the second half that told the story. The defense clamped down, and backs Culbertson, Fleming, and Mackey led the offensive charges. Mackey belted over two touchdowns, one each in the third and fourth quarters, scoring the winning points.

P.C.D.21—Pleasant Hill 13 Pem-Day, often the visitors at Homecoming games, upset Pleasant Hill's evening with great blocking and offensive maneuvers as they scored three of the five times they were in possession of the ball. Culbertson scored twice, Fleming once.

P.C.D. 14—St. Mary's 6 The Raiders played a mediocre game against a highly touted team and came out victorious. John Park, playing the best game of his career, scored his first touchdown while leading the Raiders to their conference win.

Allen prevents a St. Pius touchdown.

P.C.D. 21—Paseo 0 Pem-Day's homecoming was celebrated right this year as the Raiders beat Paseo convincingly, 21-0. Bob Sawyer led the Red, scoring two touchdowns and playing outstandingly on defense.

P.C.D. 26—St. Pius X 6 The Raiders, stronger and more experienced than ever, played mediocrely but won. Long touchdowns by Culbertson, Mackey, Sawyer, and John Webster put the Raiders on the scoreboard.

Harry Welsh

This year's basketball team was ably led by Robbie Allen. Playing mostly as a guard, Robbie averaged about 17 points a game. Robbie was liked by the other team members, not only for his athletic ability, but for his friendliness and his good nature.

Complimenting Robbie in the back court was Bob Sawyer, fireball of the team. During a half-time session, Coach Ryan said, "Bobby can always play on my team- he hustles!"

The last starting senior was Terry Curran. Terry plagued many a zone defense with his outside shooting and rebounding.

The other two starters, Mike Theissen and Harry Welsh, were both juniors. With his amazing speed, Harry was able to score many fast-break baskets. Mike was the team's leading scorer and rebounder, averaging close to 20 points a game. Little more needs to be said!

This year Mr. Ryan also had a strong bench. Juniors Doug Newcomer, Chris Stacey, and Marsh Douthat were frequently used as substitutes. Marsh will long be remembered for his game-winning free throws against Lees Summit. Don Cohen, also a junior, was occasionaly able to amaze all present with his "Cousy-like" passing and ball handling. Bob Fleming, out most of the season with an injured knee, was able to play only a little. Although Randy Stafford played only on rare occasions, he never missed a practice and was a hard worker all season long. Randy was a perfect example of Pem-Day's never-say-die spirit.

STUDENT COUNCIL

Mark Stockton
President

The 1963-1964 Student Council has had
most successful year. The Council did its be
to promote those ideals set forth in the pr
amble to the Upper School Constitution,
"advance the ideals of the school, to stimula
a higher standard of scholarship, and to he
carry out school policy."

As in past years, the Council appointed twelve boys to the National Council of Christians and Jews, supervised the United Fund Drive and the A.F.S. Campaign, and continued publishing the monthly "Student News Letter." In addition, the Council appointed a member to the Kansas City Chapter of the American Red Cross for the first time. The tradition of "Dig Day" was also continued.

Perhaps the most successful and rewarding accomplishment of this year's Council was the organization of A.F.S. Day (January 31). On this day, Federico Alvarez, our foreign exchange student from Spain, gave his first speech to the student body. His speech was accompanied by a movie on Spain. After this assembly a Spanish lunch was served. This had been prepared at the request of the newly-formed Student Food Committee, under the joint direction of Charlie Seel and Mr. Lueck.

Second Semester

Standing: G. Myers, B. Sawyer, M. Cohen, C. Stacey, B. Lucas, K. Landis, S. Blackwell. *Seated:* C. Seel, M. Stockton, T. Curran, B. Springer.

The A.F.S. Fund Drive also began this same day. The drive, limited to the student body for the first time, netted over two hundred and fifty dollars. The day was climaxed by an A.F.S. dance held in the Pierson Building, to which all the A.F.S. students and returnees in the greater Kansas City area were invited. The dance was a great success and left the students with a feeling of satisfaction.

We are very grateful tro Mr. Madden (serving his fifth year as faculty adviser to the Council), to the faculty as a whole, and to the student body for their cooperation and willingness to aid in Council activities during the past year.

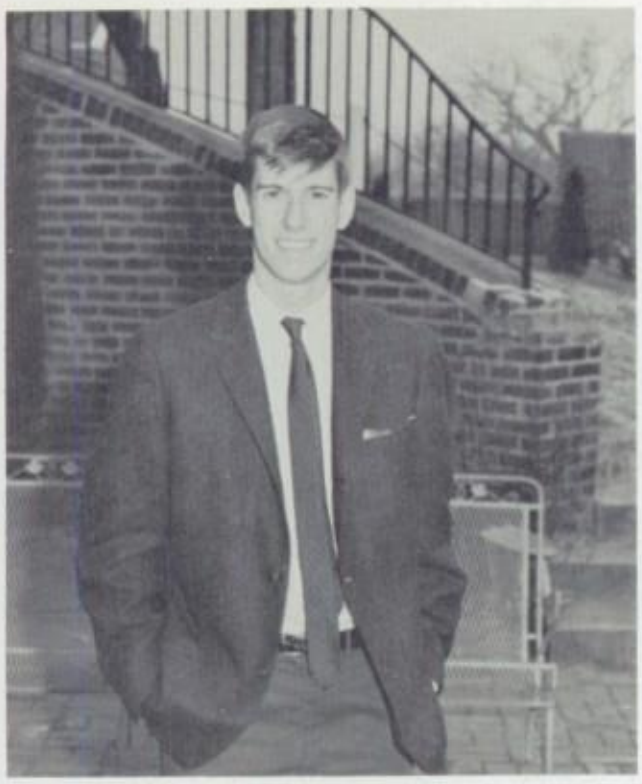
RAIDER

This year's staff has had two distinct advantages over the preceding ones- an enlarged photography program and new office space. It has been pretty well decided that the success or failure of a yearbook depends on the number and scope of the pictures. The new office gave Editor Tom Wagstaff and his staff much more room to check the pictures and to lay out the pages. As a matter of fact the staff usually spends about six or seven hours sifting photographs under the guidance of Wagstaff and his Photography Editor Terry Curran.

Tom Wagstaff
Editor



Charlie Seel
Business Manager

While Wagstaff and Curran are deciding about photographs and lay-outs, the Business Manager, Charlie Seel, is making hay with the advertising-another very time consuming job. Honestly, in the past four years there has never been so much consistent activity. This, obviously, is going to mean greater coverage of both day to day news and general school life. This has been accomplished by six people; Tom Wagstaff-Editor-in-Chief, Terry Curran-Photography Editor, Bill Hoover-Associate Editor, Charlie Seel-Business Manager, Bates Huffaker-Copy Editor, Mike Dunn-Art Editor.

Business Staff

Standing: D. Linville, B. Kittle, D. Shapiro, G. Montgomery, J. Berry, B. Lerner, M. Brewer, J. Jordon, C. Harrison, F. Strauss, B. Fullerton. *Seated:* S. Present, C. Seel, S. Blackwell.

Hoover has been in training so that he may assume the editorship next year. The positions of Art and Copy Editors have been slightly displaced by the picture coverage.

The staff hopes that it has done a good job in portraying school life and all other activities around the campus. We have tried to give the reader a good overview of the passing scene at Pem-Day. We would like to thank our adviser, Mr. Gerry Avery, who has given us both his time and knowledge.

Now, start turning pages either to the right or the left and you will see what our result is like.

HILLTOP

Wayne Flicker
Editor

The 1963-1964 school year was one of improve ment and change for the Hilltop. Under the able lead ership of editor Wayne Flicker, the paper expanded it coverage of the many facets of school life, carrying wide variety of articles and thought-provoking editor ials.

With the assistance of Jim Sherman and Marti Cohen, associate editors, and Bruce Springer, copy edi tor, Flicker brought the Hilltop to new heights of jour nalistic excellence. The paper joined the National Scho lastic Press Association and each of the issues was give a critical analysis.

During Thanksgiving vacation, the Hilltop sent delegation to the annual conference of the NSPA i Chicago. The group learned to make the pages of th paper more interesting and readable. It was also decide to expand the 1964-1965 Hilltop from its present fou column width to the more standard five-column, tabloi size.

Many more high-quality pictures were printed in the 1963-1964 Hilltops than ever before. Four of the issues had special "picture pages," which depicted well the spirit and warmth of Pem-Day. Other innovations included a cultural events column, more humorous articles, a Letters-to-the-Editor column, a calendar of coming events, a new masthead for the front page, and a greatly increased coverage of the lower and middle schools.

Continuing the system begun last year, the staff of the 1964-1965 Hilltop began its duties late in spring, putting out the last two issues. Bruce Springer and Martin Cohen, the new co-editors, did an excellent job, indicating that the high standards of the past year will be maintained next year.

Wayne Flicker and the entire staff express their gratitude to Mrs. Virginia Barnes, technical advisor; Mr. Hilliard Hughes, Jr., faculty advisor; and Mr. John Stumpff, the printer. Much of the success of the past year is due to their assistance and advice.

KEY CLUB

Left to Right: P. McKinley, D. Rice, J. Park, C. Waugh, D. Lemoine, M. Dunn, D. McFarland, M. Myron, T. Glascock, C. Harrison, C. Hall, R. Fleming, L. Ehrlich.

The Red and Blue Key Club again this year carried on with its various functions of service. As in previous years, Mr. Reynolds served as the Faculty Advisor and under his able leadership the Key Club tended its duties and functions.

Jim Sherman served as President for the first semester. Under Jim the Key Club not only continued its regular duties such as procturing the library, answering the telephones, taking attendance and showing college representatives around campus, but also served as an assistant to the new Headmaster.

President Jim Sherman

Future Key Club Member

Bob Fleming was elected President for the second semester of school. Even though the Key Club's regular meeting time, 6th period on Friday, was abolished, the Key Club continued to carry on its duties. Also the Club ushered at all three performances of THE MUSIC MAN and all four performances of HENRY IV. Besides, this, the Key Club distributed the tickets for both the Operetta and Play, thus eliminating this burden from the office staff.

AMERICAN FIELD SERVICE

The Pem-Day A.F.S. organization, with the help f student representatives John Park and John Crockett, as been very active this year.

This year's A.F.S. student is Federico Alvarez Gar- ia from Madrid, Spain. He arrived at New York in August and met his American family, the Patrick Dunns. He has gone with the Dunns to Colorado and Florida, and enjoyed both trips greatly. He was a mem- er of the senior class and was well-liked. Fred also was member of the glee club, and of course was active in .F.S. work.

Fred at a football game.

A.F.S. Day, January 30, included a Spanish assembly and a Spanish lunch. A fund-raising dance was held in the evening; all local A.F.S. students were invited. Among the most successful ventures of the A.F.S. committee were the two International Days, April 14 and April 28. Foreign exchange students from local high schools were invited to spend a day at Pem-Day, escorted by Pem-Day students. They were very well received, especially by the seniors, and gained a favorable impression of our school.

The most rewarding sign of the success of the A.F.S. this years is the increased understanding between students. Federico writes: "At first I was astonished – I found everything different from home. But after knowing the people here, I realize that they are basically the same as people all over the world, and one can find friendly people everywhere."

The Glee Club had an active year and did much to spread good will for PCD under the direction of Mel Bishop.

The Glee Club's first big performance of the year was the annual Plaza "Turning on of the Lights" ceremony on November 28. This was the third year the Glee Club had sung at the ceremony and, as usual, the boys were a big hit.

The next performance was on December 15 when the Glee Club, along with the Barstow Glee Club, presented selections from Handel's *Messiah.* Although this was the second straight year that the *Messiah* was presented, the overflow audience of five-hundred was nonetheless overwhelmed.

The Christmas program proved to be the most elaborate. Since Jim Kassebaum was not around to furnish Christmas trees, director Bishop had the program in Kirkwood Hall at the Art Gallery, where less trees were needed than at PCD. The change was successful and may be continued in the future.

The high point for the year arrived between March 16 and March 18 when Pem-Day again combined with Barstow, this time to present Meredith Wilson's "Music Man!" The show, well-known to many people, became Mr. Bishop's fourth straight operatic success.

On Dig Day the Glee Club made its annual spring tour and scored another success. Highly received at both St. Teresa's and Barstow, the group was most warmly received at Rockhurst, where there was a reception after the performance.

The Glee Club trip was to Tulsa, Oklahoma and Fort Worth and Dallas, Texas. Although grieved at the absence of the Barstow girls, the Glee Club boys gave their best performances of the year at the four schools which had invited them.

The boys were also happy to see former headmaster Schwartz and get a chance to visit his new school.

The Pem-Day and Barstow Spring Concert was the last combined performance of the two Glee Clubs. The concert was a benefit to raise money to help finance the boys' trip this year and the girls' next year. It was a great success. The final Glee Club appearance of the year was at Commencement.

LETTERMAN'S CLUB

The Letterman's Club is made up of all boys who have earned a Major Letter during his three years in the Upper School. There are seven major sports at Pem-Day-Football, Basketball, Wrestling, Baseball, Track, Tennis, and Golf. This club really has very few duties or privileges. They do nominate the Homecoming queen candidates and they put on the Homecoming Dance. This year's celebration was after the Paseo victory and Miss Connie Whitaker of Barstow school was crowned queen.

This year's officers were as follows:
President-Bob Sawyer
Vice-President-John Mackay
Secretary-Charlie Seel

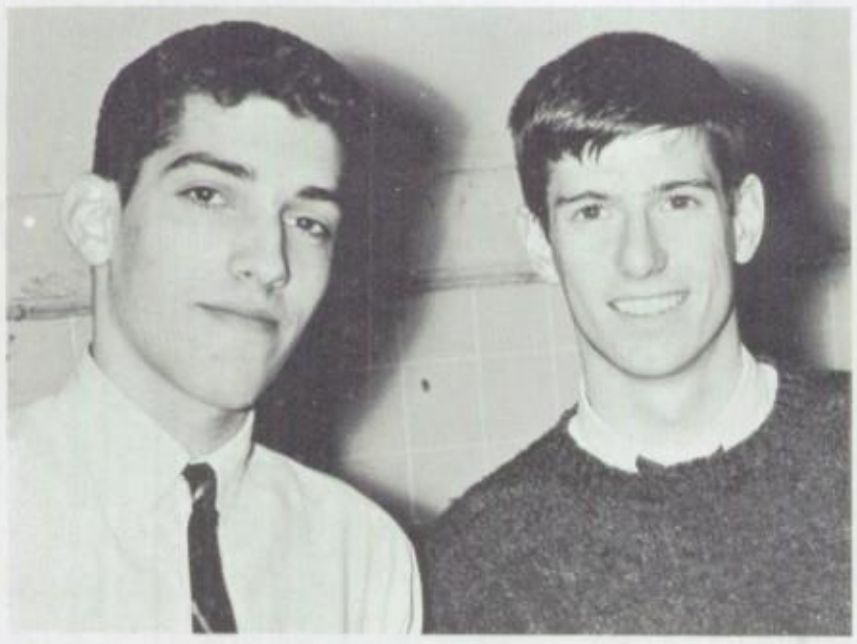
PRINT SHOP



Senior Managers Flicker and Seel.

The Pem-Day Print Shop enjoyed a fine year in 1963-1964. Under the leadership of senior managers Wayne Flicker and Charlie Seel, and with the assistance of faculty adviser, Mr. Eddie Schoonover, the shop was better organized and more efficient. Too, the work has been of higher quality than i previous years.

In addition to printing store slips, tickets, bu letins, Clothesline Sale circulars, Christmas an Thanksgiving programs, etc., for the school, th Print Shop undertook many outside jobs. Th money obtained from these jobs was used to bu new type, ink, paper, and other supplies.

The true measure of the success of the Prin Shop, however, lies not in the amount of mone saved the school or in the increased activity ther Instead, it is determined by the ability of its mem bers to work as a group, to take the initiative, an to bear responsibility.

The prospects for the Print Shop next year a bright, with Larry Friedman and Scott Present senior managers and Lou Ehrlich as assistant. Thes boys have been members of the Shop for thr years, and they have the experience and the leade ship to manage it well.

LITERARY MAGAZINE - Helicon

Bill Leyden
Editor

The *Helicon* began in September when M Atwood encouraged Mrs. Blackburn to organize creative writing class. It was part of Mr. Atwood program to bring culture to P.C.D. Mrs. Blackbur sponsored the *Helicon* in order to encourage cre tive writing and to provide a showplace for it.

Her class met each Thursday and elected Bi Leyden as editor of the 'Literary Magazine". Th class then replaced "Literary Magazine" with th euphonious title *Helicon*, which refers to th mountain-top home of muse in Greek mytholog Next, Bill, Mr. Hughes, and Mrs. Blackburn s lected the rest of the magazine editorial staff.

When the manuscript deadline arrived March, George Myers, the business manager, a ranged to have the *Helicon* printed, while depar ment editors Al Speck, Bates Huffacker, and Bi Mixson evaluated the writing. Ralph Matkin, th art editor, arranged the cover and Craig Floyd, th associate editor, obtained other high school mag zines from which Bill Leyden got many ideas.

You know how women are. When you want your wife to get the car washed, you talk about a new hat. Or a trip to Bermuda.

Logic won't help. But psychology will.

So, if you'd like to enjoy a cup of Folger's Coffee tomorrow morning, tell your wife about Central America. Talk about the mountains where they grow first-rate coffee. Mention the rich soil and gentle climate.

Then bring up Folger's. Casually.

LEE'S MASTER TAILOR DISCOVERS THE REAL REASON FOR SHAVED DOWN SLACKS

(You need tapered Lee Leens to fit into skin-tight cars!)

At last, Lee's Master Tailor has found something stranger than your tapered slacks. Your tapered cars! Your zoom-paced generation makes no sense at all to this old Model T tailor. And, frankly, that's the reason for Lee's Student Styling Board. They make the big decisions. They see to it that Leesures are styled your way . . . the waist riding low, the hips tight, the taper really tapered. But Leesures are tailored the old-fashioned way. The master-tailored way. That's why they fit the way they do. And they fit: wow! Master-tailored Lee Leens in Sand Beige, Loden or Black leatherneck twill at $4.95; stretch-fit Lee Lastics in tough stretch denim, at $7.95.

The Mark of Integrity

for Young men especially

It's This Quarter-inch that makes the Difference

In the way you feel about your clothes. And the way they look to others. For it's only with such precise measurement, the tireless care of a skilled tailor, that you are truly fitted. With smooth lines. A snug, lay-down collar. Just-right cuffs and inseam. It's with attention to detail, the little things, that Sears fits YOU, not an "average." Yet the cost is modest. The fabric selection virtually unlimited. Visit Sears for a fitting —
